

2024

ANNUAL REVIEW

Chapter 3

Supply Chain Improvement & Market Expansion

14 COMPANIES

have joined the "High-Efficiency Heterojunction 740W+ Club," highlighting a stronger, more focused effort to enhance the efficiency of the supply chain, with **Huasun** as one of founding members.

The 8th Conference of High-Efficiency Heterojunction 740W+ Club

SUPERIOR SUPPLIERS

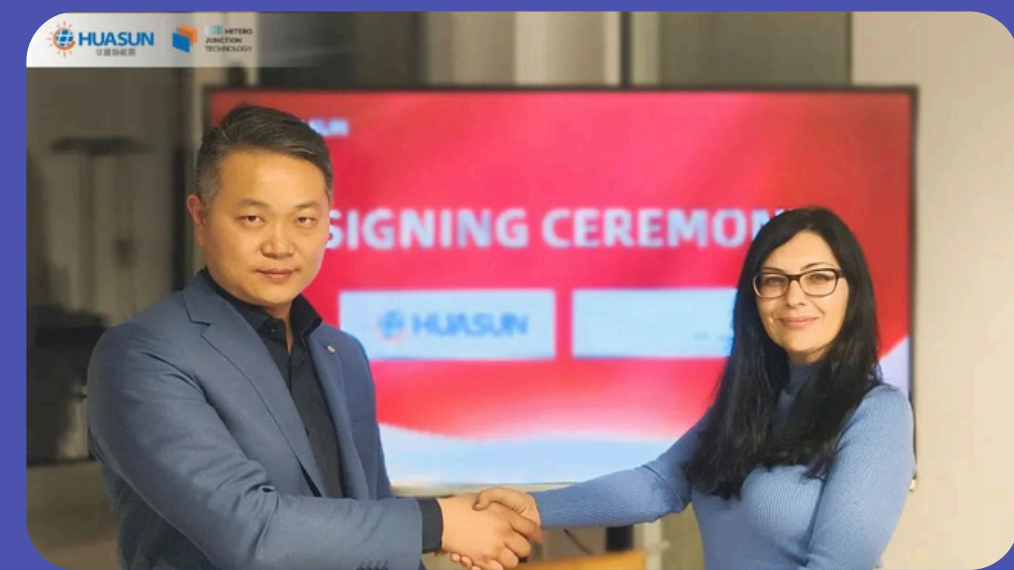

- ✓ Extremely Thin Wafer
- ✓ Silver Coated Copper Pastes
- ✓ Zero-busbar Cell Technology
- ✓ Double-sided Microcrystalline Technology
- ✓ Light Conversion Film
- ✓ PIB Adhesive

.....

 **Higher Production Efficiency & Lower Costs!**

40+ NEW PARTNERSHIPS

3 GW Supply Agreement
Balkan Region Project Development

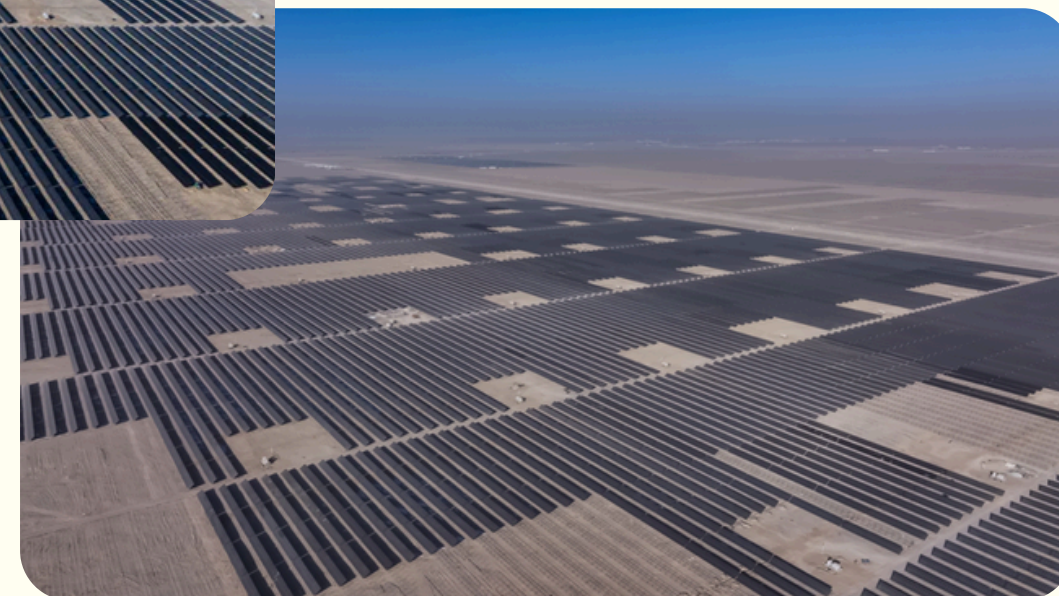

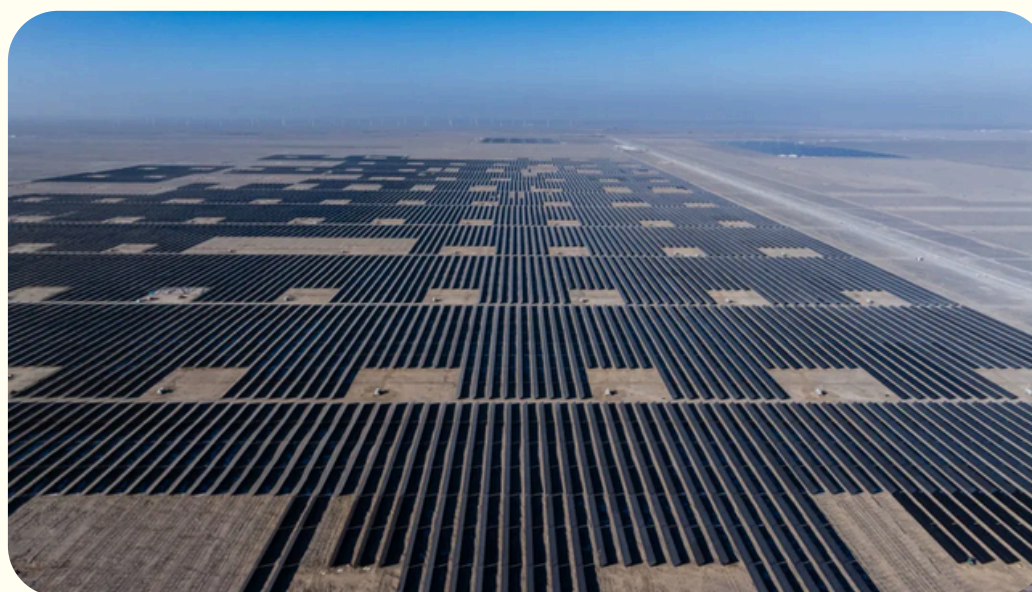

1.5 GW Supply Agreement
ITRAMAS, Malaysia

1 GW+/Year Supply Agreement
Xinjiang Silkroad, China

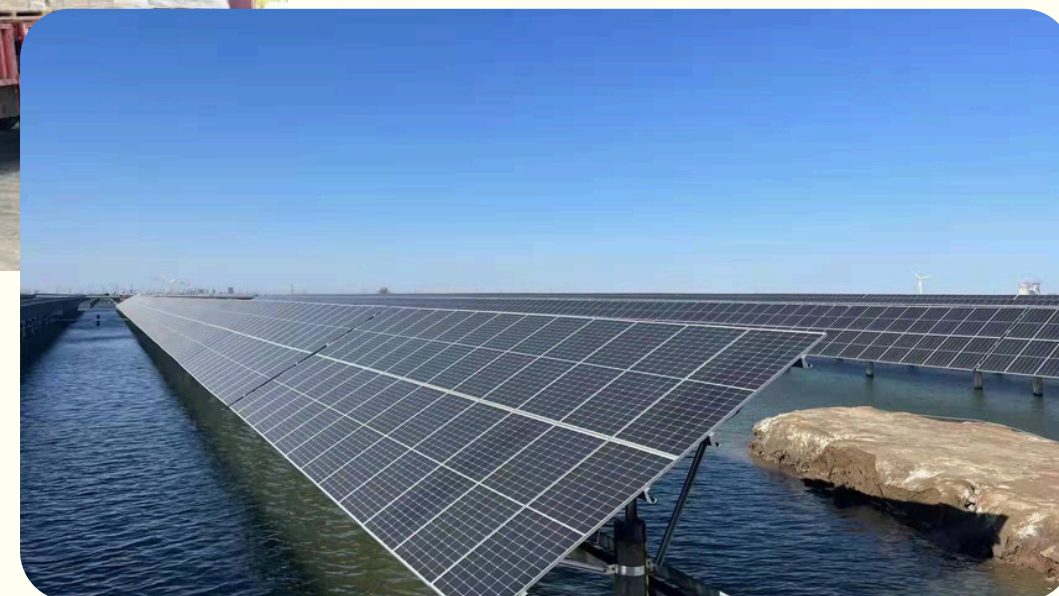

3 MONTHS

to successfully deliver **1.8 GW** of HJT solar modules to CGDG for its **4 GW** PV project in Northwest China.

1 MONTH

to accelerate Power China's **800 MW** offshore PV project with the **first-batch delivery** of V-Ocean HJT modules.

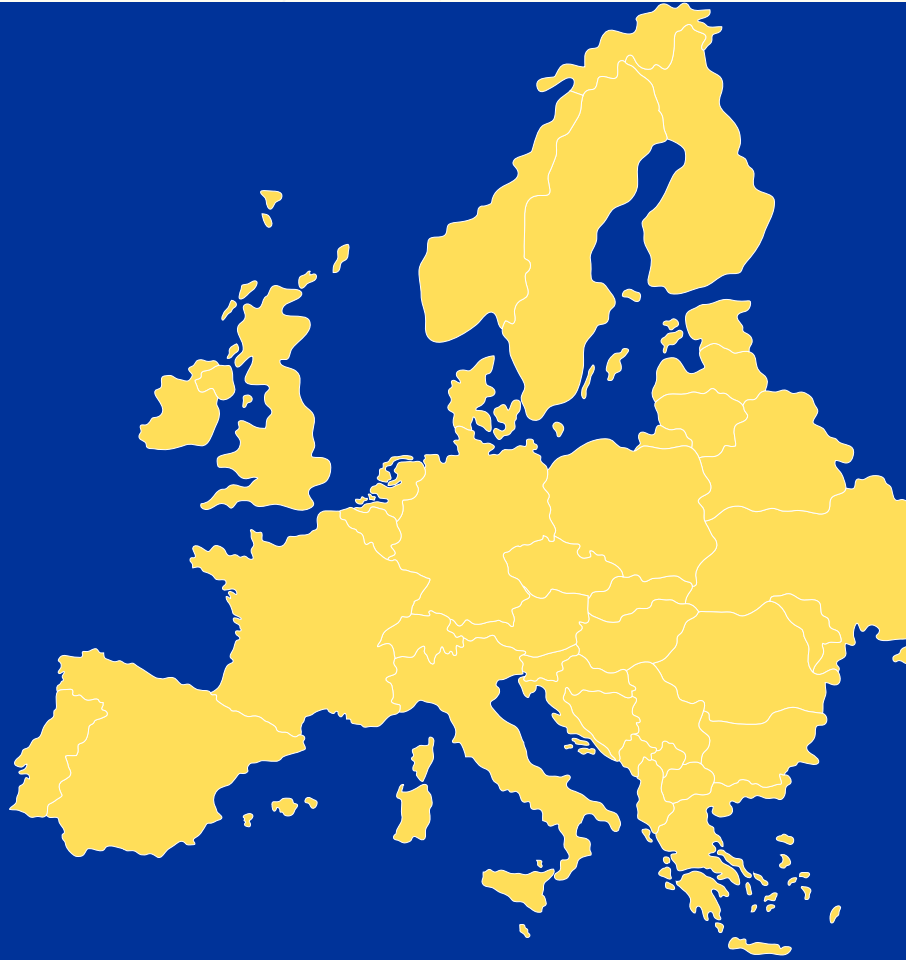

GLOBAL SALES NETWORK EXPANSION

EUROPE

Mature Distribution Network

THAILAND

Strategic Supply Agreement

Huasun and A2 Technologies signed a cooperation agreement for the supply of G12-132 high-efficiency HJT modules. The agreement aims to strengthen their competitiveness in the Asia-Pacific and international markets.

INDIA

Recognition of Reliability & Safety

The BIS registration highlights Huasun's steadfast commitment to providing premium solar solutions in India.

Following this registration, Huasun exported over 10 MW in the first batch, with continuous deliveries thereafter.

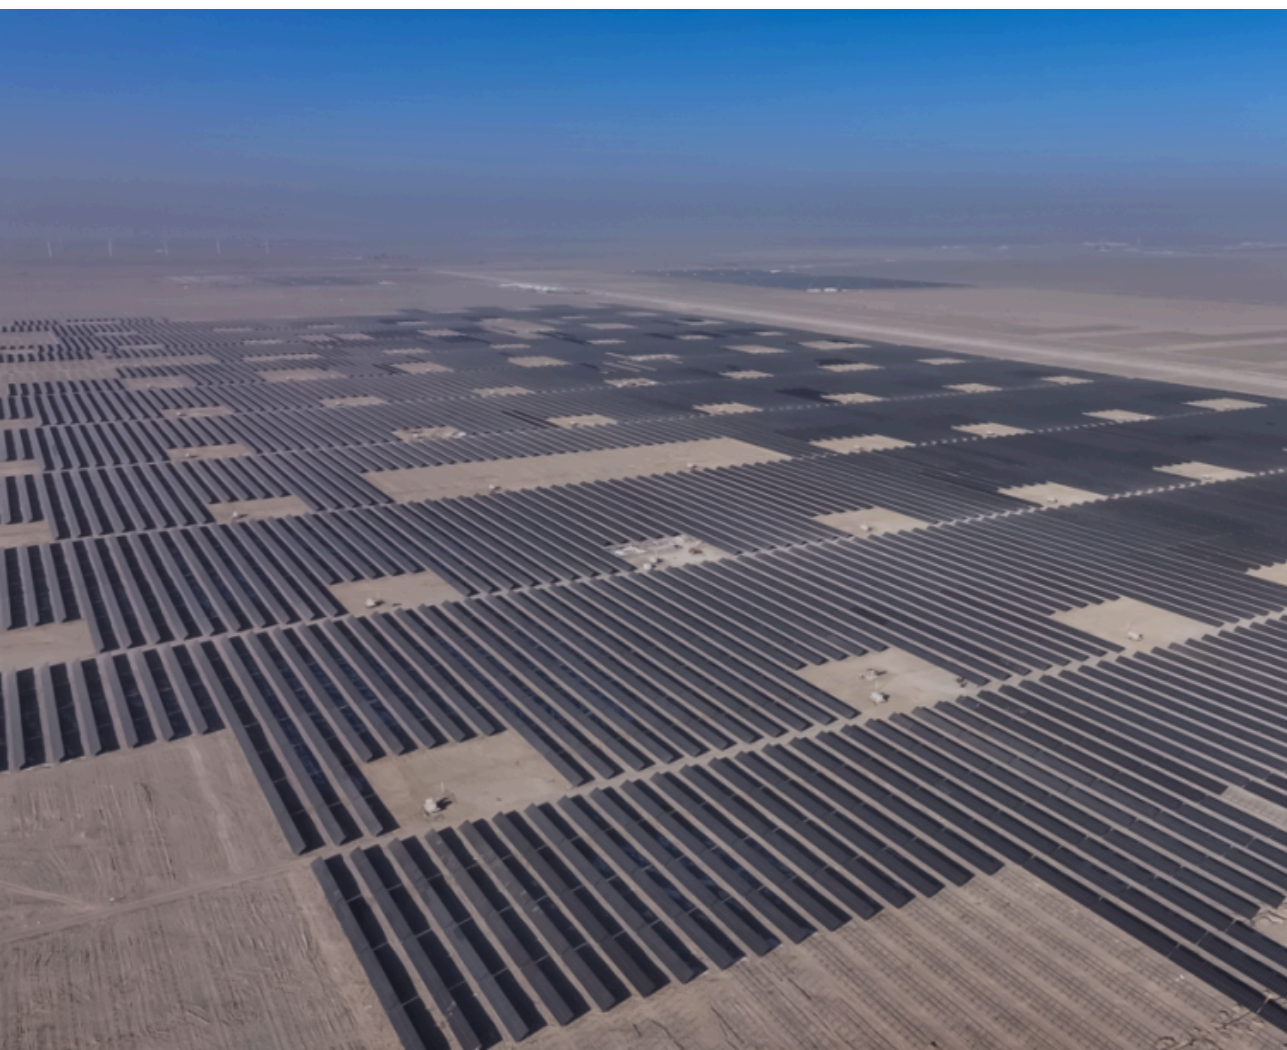

BRAZIL

Remarkable Distribution Partnership

In the second half of 2024, Huasun forged strong partnerships with two leading distributors, marking a significant milestone in the Latin American market.
